

LIGHTS ON WITH ENERGY RELIEF

NYS ASSEMBLY REPUBLICAN SOLUTION:

“LOWER” THE BURDEN OF UTILITY BILLS

1

QUICK RELIEF

- *As introduced by Assembly Republicans, provide additional income-based utility rebate checks of up to \$400*
- *Reduction on utility bills to address high energy costs*
- *Bring plants online and upgrade them as soon as practical to address shortages and create jobs*

2

PROTECTION FROM FUTURE EMERGENCIES

- *Eliminate unreasonable mandates and protect energy choice*
- *Expand the POWER UP grant program to incentivize quick build out of reliable energy*
- *A TRUE All-of-the-Above Energy Policy: Expanding pipelines, natural gas, nuclear, renewables, and other advanced technologies for affordable, reliable power*
